ABOUT US

KOIL is an organisation that is based on a strong foundation of hard work & commitment. We look forward to take the organization to the apex of success & become one of the hardware solutions provider. The initiators of this company are people with profound knowledge in the hardware field & are well aware of the industry & its specifications. KOIL has been reaping rich dividends on its investment in the challenging hardware industry.

Our mission is to accomplish our goals every time & establish a scene of trust in the minds of the people. As an organisation we understand that we have to attain customer satisfaction by providing them with exclusive service in every department. We possess a team which is sincere & proficient to attain the goals assigned & construct a positive stature of the organisation.

KOIL Hardware Drawer System,
Kitchen and Wardrobe Accessories
are about being there for life.
It is designed to feel everyone
special in everyday life.
We always emphasize upon
simple but brilliant designs.
